ROMAN BLINDS

Roman Blinds are available in 3 styles Venice, Ocean and Eden. They offer a softer look than other styles of blinds and are available in blackout, light filtering and sunscreen fabrics which can be matched to verticals and rollers. Motorisation is available for Roman Blinds for both safety and convenience.

VENICE

- Venice panel size 150mm – 200mm
- Minimum width with cord lock or chain drive 400mm
- Minimum width with motor 750mm
- Maximum width 3000mm • Minimum drop 600mm • Maximum drop 3000mm
- Minimum stack height 250mm • Maximum stack height 320mm
- Available with standard swivel cord lock, heavy duty cord lock, chain drive or remote control
- Hem option available • Child safe compliant motorisation
- Sewn side hems are optional free of charge fabrics will be cut using crush cut or ultrasonic cutting technology
- Have another Romatech batten placed between the lift battens creating a sharp flat appearance
- Constructed using patented Roman Romatech aluminium Blind lift system & polycarbonate lift rings
- Clips are manufactured from 100% virgin polycarbonate & will not go brittle over time
- All lift cords are UV stabilised preventing deterioration due to sun exposure

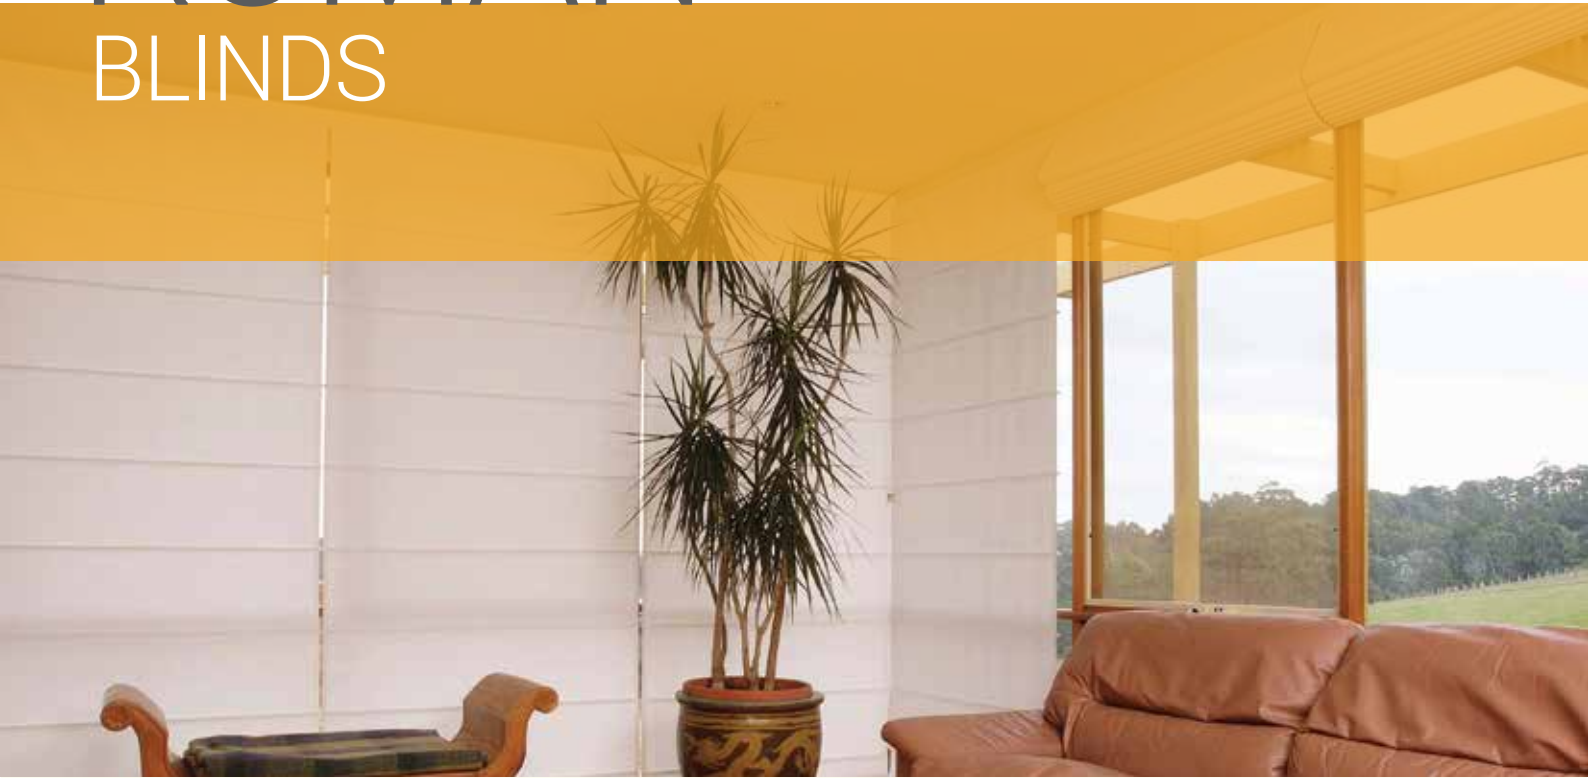

ROMAN BLINDS

OCEAN

- Ocean panel size 150mm – 200mm
- Minimum width with cord lock or chain drive 400mm
- Minimum width with motor 750mm • Maximum width 3000mm
- Minimum drop 600mm • Maximum drop 3000mm
- Minimum stack height 250mm • Maximum stack height 320mm
- Available with standard swivel cord lock, heavy duty cord lock, chain drive or remote control
- Child safe compliant • Hem option available
- Constructed using a half round timber dowel as the focal point
- Where an Ivory blackout coating is used the rear battens are supplied in off white finish as standard
- Front timber dowels are available in timber stain finish's light, medium, dark and cream
- Ocean blind guide rings - Unlike normal eyelets the marine grade stainless steel guide rings will not rust which is important for bayside locations
- Sewn side hems are optional free of charge fabrics will be cut using crush cut or ultrasonic cutting technology

ROMAN BLINDS

EDEN

- Eden panel size 300mm – 400mm
- Minimum width with cord lock or chain drive 400mm • Child safe compliant
- Minimum width with motor 750mm • Maximum width 3000mm
- Minimum drop 600mm • Maximum drop 3000mm • Minimum stack height 250mm
- Maximum stack height 320mm
- Available with standard swivel cord lock, heavy duty cord lock, chain drive or remote control
- Constructed using Roman the patented Romatech Blind aluminium lift system and polycarbonate lift rings
- Clips are manufactured from 100% virgin polycarbonate and will not go brittle over time
- All lift cords are UV stabilised preventing deterioration due to sun exposure
- Have a soft fold between the lift battens creating the appearance of a larger pocket spacing due to the larger panel spacing and the folding in the middle of the panel please note that this will creased fold mark
- Fold into the same stack size as Venice and Ocean blinds
- NO sides hem option due to the wider spacing as the hem restricts the fabric from folding correctly, fabrics will be cut using crush cut or ultrasonic cutting technology depending on the fabric

MANUFACTURED
IN AUSTRALIA

CARE & CLEANING

Surface dust may be removed with a gentle brush, feather duster or clean dry cloth. To remove tougher stains or smudges, a mild solution of lukewarm water can be used then wipe with a clean dry cloth.

An art gum rubber is excellent for removing small marks.

Let Apollo Blinds open your mind to new decorator ideas. Since 1988 Apollo Blinds has focused on delivering the latest in home fashions with consistent reliable service. An Australian owned company with most products still being manufactured in Australia, Apollo Blinds gives you peace of mind – all fabrics and components come with a 2 year guarantee (1 year in home) on manufacture and materials*. Some materials or components may carry additional manufacturer's warranty*.
