## CARE & CLEANING

Close blades and dust surface using a feather duster, or soft cloth. Close blades in opposite direction and repeat process. Blinds should be dusted weekly to control build-up of dust and grime.

Do not force blades apart with hands to reach window locks or handles. The force may buckle aluminium blades or fracture timber or Smartwood Guarantee will be voided if blinds show evidence of misuse.

Let Apollo Blinds open your mind to new decorator ideas. Since 1988 Apollo Blinds has focused on delivering the latest in home fashions with consistent reliable service. An Australian owned company with most products still being manufactured in Australia, Apollo Blinds gives you peace of mind – all fabrics and components come with a 2 year guarantee (1 year in home) on manufacture and materials<sup>\*</sup>. Some materials or components may carry additional manufacturer's warranty<sup>\*</sup>.
